

Helps Eliminate:

- + Bacteria
- + Viruses
- + Fungi
- + Household Odors
- + Mold
- + Smoke
- + Pollen

NEW

lasts up to
10,000
hours

purion™

air purifying lamp

AP15

AP23

Sunlite's new purion™ lamp (compact fluorescent lamp) is the ultimate air purification system. Hidden inside the purion™ lamp is a unique ionizer that emits millions of powerful pollution fighting ions into the air every second. These ions attach themselves to airborne pollutants such as smoke, pollen, viruses and odor causing bacteria and cause them to literally fall to the ground where they can be cleaned away. Smoke and odors are instantly neutralized. Don't cover up the smell with air fresheners; destroy the odor with this unique system. It's ideal for use in homes, offices, hotels, hospitals, public buildings, dormitories and almost anywhere a normal light bulb may be used. Our purion™ lamp lasts up to 10 times longer than your average incandescent light bulb.

Item #	Description	Base	Watts	Equiv.	Color	Lumens	Hours	MDL	Pkg.
05568	AP15/30K	Medium	15	60	Warm White	900	10,000	5.55	12/24
